Hills & Dales Public Input Meeting

Comments

June 19, 2019

- Walking Group used to park at the pond, but the group got to big – not enough parking there.
- Program parking vs. shelter parking at Paw Paw
- Physical border on south side of park to keep people off golf course
- Make shelters at Old Barn Camp suitable for small weddings
- Hilton entrance does not feel like the main entrance
- Like the idea of steps or path at the Staged Gates, safer crossings
- Likes the signing to connect Houk Stream Park
- Shared use trails??
- Paved trail is not a great idea. Ruin the natural experience, high maintenance, encourage multi-use
- Too steep for pavement
- Like the idea of opening the observation tower
- Love the connection between Patterson Homestead and Carillon Park
- Avoid paving spine trail natural surface
- Fix the rain garden by Paw Paw
- Signage “No Bikes” people don’t know that they are no allowed
- Love the development of the old parts of park (west side)
- Parking for groups
- Please don’t pave the trail
- Re-open the observation tower
- Continue aggressive removal of honeysuckle
- Enforcement of no idle zones & speed
- Utilize volunteers to deal with honeysuckle

Cabins/Camping

Places to swim

- splash pad
- frogs
- access to wildlife
- go up the tower
- zip line

A 5K

Maybe a fundraiser

Low ropes course

Would love & hate to see Mt. bikes in park

More sledding

Ice skating

Snow Play

- igloos
- snowball fights
- Christmas lights
- rock throwing range
- Roller coaster

Down in shelter at White Oak uses Park for backpacking training, likes the elevation gain in short distances, can't find that anywhere else.

Bike lane on Patterson

Remove staged gates and put in a luge or make snow a rope system to ski/sled

A walking Christmas light show

If you donate a certain amount of money you get a free on some free shelter rentals

More variety within Nature Play i.e. ropes, climbing, etc.

Weekend Christmas tree lot and ice skating

Upgrade Patterson shelter at White Oak and add a fire pit

Rope to get up the 3 hills for family sledding at White Oak

Put lights on tower for Christmas season

Old Barn Camp Reservable 30-40? Restroom? Gateway??

Open trail access for families, bicycles, etc.

Neighbors expressed concern about camping

Access to Patterson Monument is underwhelming

Gateway?

Land Team needs to discuss....

Please don't add 1 or 2 campsites

When we get algae on Dogwood Pond would skimming it in the spring help minimize it

Signage for the plants so people know what's growing

Scatter historical info throughout the park

Like the steepness and difficulty of the Adirondack Trail

Lots of periodic cicadas on this trail – a hole every 2 inches

Want mountain use trail (for mountain biking)

Orange and green trail are ?

Other trails have since been abandoned

Loop trails – see drawing

Venue for Cyclocross racing

Nature Play area – can this be more integrated/exposed to main playground so that kids can be inspired by others, and see what's going on

Boot scrapers by the parking lot (maybe by map kiosk) to kick off the mud

1 or 2 more large shelters as PawPaw shelter. Guess that means a nearby restroom too

Are there bike pathways that can be established thru park and leading to/from park in Oakwood & Kettering

The park is really very nice as is: trails, shelters, play areas, etc. Perhaps no updates are needed.

- We need to branch out to schools to bring more students into the park. Give teachers ideas of things to do inside the park.

Better safety management. As a woman, I do not always feel safe walking in the woods alone. Perhaps bike rangers would help. Help manage the cars on the side of the roads during proms and homecomings. It's amaxing that so many people go to the parks at that time, but it is very dangerous. Every other park requires me to drive far out of my way.	The walking trails. I'm extremely thankful to have a park located where Hills and Dale's is. It is well-maintained, and it's great to have a natural retreat like that in town. Trails, the pond(dogwood shelter??- has bridge and waterfall at the end of the pond), white oak park Beautiful trails and great picnic areas, easily accessible, I can walk the dogs	Would like to have stairs or trail of some sort leading from the Patterson monument down to the trail behind it. I wish that there was somewhere to picnic that was out of site of parking. It's a relatively small place though, so I know there aren't many options. Hopefully in my lifetime, one of the golf courses will close down, and	Wonderful. Convenient	5 Rivers needs to take over Community Golf Course and turn it into a activity park. A local writer and park regular, I would love to see information and park features eloboraring on the original	It's a fabulous park. I would simply love paths along some of the more beautiful stretches only accessible by car (i.e. Deep Hollow Road demands to be seen on foot in peak fall) While the road may not be within park limits, additional trails among those lovely trees are needed.	Vista.	Hills and Dales is most wonderful for its comforting forestry and New Engalnd feel. Please allow for more pedestrian-friendly roadways. Are the bricks lining portions of South Patterson Boulevard the remnants of a former walkway? If so, how lovely would they be restored?
