

Hike and Seek: Snap-It

To complete the snap-it challenge, find the things on the list below. Take a photo of or check off what you find.

- A plant the same height as you
- A leaf larger than your hand
- A leaf smaller than your fingernail
- Something upside down
- Something that gives off a scent
- Tree bark with an interesting pattern
- An animal you see from the trail
- A flower with the same number of petals as your age
- Something floating in the water or the air
- Something that represents what season it is now
- A plant or part of a plant that an animal might eat
- A place that might be a bird's home
- Something you find magical
